

TMA

TENNESSEE MINING ASSOCIATION

REASONS TO JOIN TMA

- Band together with other land use businesses to **ensure a future** for your company by protecting Tennessee's mining industry.
- Be part of an organization that has **proven success** in defending the industry from the most damaging and harmful legislation.
- Join a grassroots network of industry advocates **standing strong** against the national effort to shut down mining in the state.
- **Fight back** against the misinformation being spread by the numerous environmental groups whose only goal is to end the industry in which you work.
- Regular member communications help you **stay up to date** on the most significant legislative, regulatory and legal issues facing the state's mining and land use industries.
- Access to **personalized services** from the association including strategic planning, site visits and issues management.
- Participate in the numerous opportunities to **meet and network** with customers and industry peers.
