

Tennessee Mining Association Presents

10th Annual

Tennessee Mining Conference

Oct. 7 – 9, 2018

Park Vista | Gatlinburg, TN

Time flies...

In December 2008, the Tennessee Mining Association's first Board of Directors voted to adopt the charter and bylaws necessary to form the association. It's hard to believe it's been that long! Here at TMA, we'd like to thank you for your ongoing support and invite you once again to be an exhibitor at our upcoming 10th Annual Tennessee Mining Conference.

TMA will host mining professionals, regulators and industry experts for a three-day conference full of professional development, networking and fun Oct. 7 - 9 in Gatlinburg, Tenn.

As the prospects for the mining industry continue to improve, TMA is expecting record-breaking attendance at this year's conference. And we want you to come and be a part!

This packet contains everything you will need to sign-up as an exhibitor for the 10th Annual Tennessee Mining Conference. Please read it thoroughly. Contact Roxanne Reiley at 865-696-8806 or rreiley@tnmining.com with any questions.

As the conference program develops, more information will be posted on the TMA website at tnmining.com. In the meantime, please let us know if we can provide assistance. Thank you for continued support of TMA!
